10th April 2021

A program on inclusive lesson Planning was conducted by Raise-ne, Ferrando Speech and hearing centre for the partners SSA School on the 10th April 2021 at Byrwa Government L.P. School. There were around 11 teachers who attended the program.

Sister Mukta, a key teacher from Raise-NE, FSHC, Barapani, welcomed the teachers present that day.

Two teachers from FSHC, Miss Kara Synnah and Miss Koina Sakra were invited as resource persons for the program.

Miss Kara and Miss Koina introduced the inclusive lesson plan to the teachers, Inclusive lesson plan is a lesson about how to develop and design our classrooms and students so that all students learn and participate together.

The shared with us the format of the lesson plan and also explained on what should be done.

The first thing we should remember is to ask ourselves,

1. How my students will learn from the topic?
2. How will my students be able to do?
3. How can I make it easier for them to understand?
- 4.

The big idea is the main thing, it summarises the lesson of the day, then comes the objective or what will my child be able to know and do softer the lesson, then comes assessments and evaluations, the activities in which the knowledge of the child is tested. After this comes Motivation, how to motivate a child to learn, teacher's input in which the teacher explains, guided practice where the teacher helps and guides the students.

At this point the SSA teachers were given charts and sketch pens to draft a lesson plan after which they would have to explain to us.

The whole session was informative and interesting. Sister Mukta thanked the teachers for sparing their time for this program. The meeting was concluded followed by lunch
